# How we use Personal Information

We primarily use this information to provide the Platform and related features to you and to:

Fulfill your requests and respond to your questions

Send administrative information to you, such as changes to our terms, conditions, and policies.

Administer promotions or contests in which you choose to participate

Facilitate social sharing functionality.

Analyze and monitor Platform usage and to make improvements

Help secure the Platform, prevent fraud and enforce our policies

Personalize our Platforms for you

Contact you about other services or those of our affiliates or other third parties, if you agree

Perform other activities with your consent

Provide “send to friend” type functionality on the Platform

Conduct data analysis, audits, develop new products, identifying usage trends, determining the effectiveness of our promotional campaigns and operating and expanding our business activities.

# How we share Personal Information

We will only share Personal Information collected through the Platform as described in this policy, unless we provide you with choices. Specifically, we may share your Personal Information:

With companies and vendors that help us to operate our business by providing services such as website hosting, data analysis, information technology and related infrastructure provision, customer service, email delivery, auditing and other similar services.

With third parties sponsors of promotions or contests in which you choose to participate

To comply with law or other legal obligations such as responding to subpoenas, including laws and other legal obligations outside your country of residence

To respond to requests from public and government authorities including public and government authorities outside your country of residence

To protect our rights, operations or property, or that of our users

To investigate, prevent, or take action regarding potential or suspected illegal activities, fraud, threats to the personal safety of any person, or violations of the Platform's terms and conditions

With other companies that are owned by Duncwa LLC as allowed by law. Duncwa LLC is the party responsible for the management of the jointly-used Personal Information.

With a purchaser of Duncwa LLC (or the majority of its assets), a merger or internal acquisition

With your consent

Please note that any information you post to public areas of a Platform such as on our social media pages may be seen by other visitors.
